

Dual control rental for Approved Driving Instructors (ADI)

If your car is off the road for repairs, we can provide you with a replacement.

Hiring Parameters - Minimum 24 hours, you must provide your own insurance cover for the duration of the hire.

If you require the car to sit your approved driving instructor (ADI) part 2 test:

Hiring Parameters - You can collect the car on your own on production of proof of test date/time. Minimum length of hire is one hour, and maximum length of hire is four hours. You can also hire the car in advance on your own for a maximum of four hours (either in one block or in four blocks of one hour etc).

If you require the car to sit your approved driving instructor (ADI) part 3 test:

As this test involves a DVSA examiner observing you give a one-hour lesson to a pupil, the pupil can be a learner or full licence holder; they cannot be an approved driving instructor (ADI) or someone else who is preparing to take the ADI part three test.

Hiring Parameters - You must collect the car with your learner, and we must see both licences and proof of test date/time. Minimum length of hire is one hour and maximum length of hire is four hours. You can also hire the car in advance with your learner for a maximum of four hours (either in one block or in four blocks of one hour etc).

NB - passengers cannot be carried in the learner car during lessons, but the examiner will sit in the back of the car during the test.
