Picking up a vehicle

After collecting your baggage, please phone +44 (0)161 774 1888. The rental agent will ask for your name, confirm the terminal you have arrived at and give you instructions on where to meet the dedicated Arnold Clark shuttle bus.

Please do not use the car rental village shuttle bus as we provide our own dedicated service and are not situated in the village. We are however situated less than half a mile from the car rental village and our journey time from the terminal should take no longer than five minutes.

Dropping off a vehicle

All vehicles must be returned to our Manchester Airport rental branch. After your vehicle has been checked in you will be dropped outside the departures terminal of your choice.

Under no circumstances should any vehicle be left in any of the car parks at Manchester Airport.

This will incur a £100 fine.

Please remember:

Remember to bring your driving licence, credit card, passport (if applicable) or proof of address with you when renting a vehicle. All UK drivers must also bring their access code from the DVLA.
