Dropping off a vehicle

When you approach the airport, look for the sign saying, 'Car Park 2' and 'Car Hire Returns' and follow this lane until you see a building with 'Car Hire Returns' on it. Head towards the building and you will be able to park in one of four Arnold Clark Car Rental dedicated spaces. These spaces are located along the wall side of the car hire returns area and are marked with our signage.

If you find yourself heading towards a hill towards a sign saying 'Car Park 2', you have gone too far. Turn around and proceed back toward the building signed 'Car Hire Returns'.

Once you have parked in the car hire returns area, head towards the furthest right-hand entrance. When you walk through the entrance, turn around to your left to locate the drop box on the wall. Please ensure you leave your car parking ticket in the drop box with the car keys. See illustration below.

Please remember:

Remember to bring your driving licence, credit card, passport (if applicable) or proof of address with you when renting a vehicle. All UK drivers must also bring their access code from the DVLA.
